RESPONSE TO REQUIREMENT FOR CORRECTED DRAWINGS

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

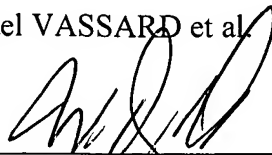

In the Notice of Allowance dated October 8, 2009, the Examiner indicated that corrected drawings must be submitted including changes required by the Office Action dated June 9, 2009. However, in the response filed September 4, 2009, new formal Figures 1-3 were submitted in order to address the Examiner's objections in the Office Action of June 9, 2009. Furthermore, in item 3 on page 2 of the Notice of Allowance, the Examiner indicated that the new drawings "have been received for replacing forth objected drawings." Therefore, in view of the formal drawings that were submitted on September 4, 2009, the lack of any new objections to the drawings in the Notice of Allowance, and the Examiner's statement in item 3 on page 2 of the Notice of Allowance, it is the Applicants' understanding that the objections to the drawings have been satisfactorily resolved and that no new formal drawings are required despite the Examiner's indication in item 5 of the Notice of Allowability. However, if the Applicants' understanding is

incorrect, the Examiner is requested to clarify what additional modifications to the drawings are necessary.

Respectfully submitted,

Michael VASSARD et al.
